Brief Description of Options:

Communal Cremation: Your pet will be cremated with other pets; the ashes will then be spread on the landscaped grounds at Bluebonnet Pet Crematory. Please remember no ashes will be returned to you. A Certificate of Cremation, if you desire one, will be mailed to your home by Bluebonnet Pet Crematory.

Private Cremation: Your pet will be cremated and ONLY your pet’s ashes will be placed in your chosen urn. When your pet’s ashes are placed in an urn and the Certificate of Cremation is complete, Bluebonnet Pet Crematory will contact you for pick-up or delivery. Bluebonnet can deliver your urn for \$40.00 inside loop 1604. A residential delivery is also available for outside of loop 1604 for \$40.00 plus \$2.00 for each additional mile. All urn delivery arrangements are handled by Bluebonnet Pet Crematory (210-566-4501). Standard urns (Alderwood, Cedar, and classic black / white ceramic) are included in the private cremation fee. Additional special-order urns and keepsake jewelry (that hold a small amount of your pet’s ashes) have additional costs and can take 4 weeks to arrive at Bluebonnet Pet Crematory. All wooden urns (standard and special order) come with an offer for an engraved brass nameplate. The name plate is an additional charge. Please see urn choices at www.bluebonnetpetcrematory.com.
